Cir.No.40/2021

Dated:12.04.2021

Sub: SIPCOT Industrial Parks – Implementation of Tamil Nadu Industrial Policy 2021 with modifications – Land Cost Incentive Policy of SIPCOT-Board's Approval - Communication -Reg.

Ref: 1.Circular No.16/2014 dated 26.04.2014.
 2.Circular No.19/2020 dated 20.03.2020.
 3.Circular No.110/2020 dated 31.12.2020
 4. G.O.Ms.No.74 Industries (MIB.1) Department dated 11.02.2021
 5. Minutes of the Board Meeting dated16.03.2021.

The Board of SIPCOT at its meeting held on 16.03.2021 noted that SIPCOT has evolved a concessional / incentive based land allotment policy which is generally in line with Tamil Nadu Industrial Policy 2021 granting 10% of land cost as incentive for "A" & "B" Districts and 50 % of land cost as incentive for "C" Districts. Accordingly, the Board approved the following:

- i) The Land Cost Incentive policy of SIPCOT as contained in the Board Note.
- ii) The Land Cost Incentive at the rate of 10 % of Land Cost in "A" & "B" Districts and 25 % of Land Cost in "C" Districts be extended by SIPCOT.
- iii) SIPCOT shall approach the Government for reimbursement of balance 25 % of the land cost (out of 50 % land cost incentive) in respect of "C" Districts.
- iv) SIPCOT shall approach the Government for reimbursement of the Land Cost incentive being/to be extended by it as per Tamil Nadu Aerospace and Defence Policy,2019, Tamil Nadu E-Vehicle Policy or any other specialized policies other than Tamil Nadu Industrial Policy 2021.

The methodology to be followed in extending land cost incentive is detailed below:

I. LAND COST INCENTIVE IN SIPCOT INDUSTRIAL PARKS IN "A" & "B" DISTRICTS

In existing SIPCOT Industrial Parks in "A" & "B" districts as below, the land allotment will be made at a normal allotment rate as applicable at the time of allotment.

The land cost incentive at 10% of allotment rate per acre will be given for allotments made to the industries (except the industries in the Negative list as in **Annexure I**) for the extent allotted, **only as back ended incentive**, subject to complying the following conditions:

- (i) Project implemented in 36 months/ any other project implementation period mentioned in the allotment order from the date of allotment order as per the terms of lease and also
- (ii) create Eligible Fixed Assets (as defined in the Tamil Nadu Industrial Policy 2021 as in **Annexure II**) as committed at the time of application for allotment and provide minimum employment of 50 persons within the investment period of four years / seven years (as indicated in investment commitment range for project category in accordance with the Tamil Nadu Industrial Policy 2021) or as stipulated in specific Government Order as certified by Statutory Auditors in case of companies and Tax Auditors in case of other legal entities.
- (iii) The land cost incentive at 10% of allotment rate for the extent allotted (as indicated in the allotment order) will be given as back ended subject to a ceiling of 20% of Eligible Fixed Assets.
- (iv) The land cost incentive in respect of SIPCOT Industrial Parks in "A" districts shall be applicable for the applications received/to be received on or after 01.01.2021 and in respect of SIPCOT Industrial Parks in "B"

districts, the land cost incentive shall be applicable for the applications received/to be received on or after 01.02.2021 respectively.

- (v) For compliance of (ii) above, a following condition in Allotment Order is to be included "The allottee is committed to bring the Eligible Fixed Assets (EFA) -
 (a) Land (----- in acres) – Rs. --- lakhs (b) Buildings (----- square feet) – Rs.----- lakhs (c) Plant & Machinery (New / second hand) – Rs.----- lakhs (d) Total EFA – Rs.----- lakhs and provide minimum employment of 50 persons within the investment period of ----- years to avail 10% land cost incentive for the extent of land allotted as back ended subject to a ceiling of 20% of Eligible Fixed Assets. After completion of stipulated investment period, the allottee shall furnish a certificate for the EFA created and employment generated during the said investment period duly certified by Statutory Auditors in case of companies and Tax Auditors in case of other legal entities to avail land cost incentive as mentioned above"

Definition of ELIGIBLE FIXED ASSETS

"Eligible Fixed Assets" or "EFA" shall mean and include land (including development cost such as fencing, construction of internal roads and other basic infrastructure facilities); permanent buildings; plants, indigenous machineries and equipment, imported equipment, computer equipment, material handling equipment (like forklifts, cranes, etc.); tools, dies, moulds, jigs and fixtures and similar production tools owned and used within the plant or elsewhere within Tamil Nadu; appliances; electrical installations; pollution control, quality control and laboratory equipment; fixtures, tubes, pipes, fittings and storage tanks, to the extent paid for by the project.

The terms "Eligible Fixed Assets" / "EFA" shall also mean and include waste treatment facilities, transformers, generators, captive power plants, etc., and other supportive facilities installed for use in the premises and includes installation charges.

EFA shall include investment in R&D such as land, building, plant and machinery. Unless otherwise specified, EFA shall exclude intangible assets including, without limitation, Intellectual Property rights and goodwill.

All fixed assets should have been paid for and should be owned or leased by the project, provided that the duration of such lease shall be:

- (a) For land and building, no less than 10 years; and
- (b) For all other fixed assets – no less than half the estimated residual lifetime of the asset (where such residual lifetime shall be estimated by a licensed engineer, in the manner that may be specified by the Government of Tamil Nadu, from time to time).

Fixed assets that are leased shall be valued at the Net Present Value of said assets, as on the date of execution of the lease deed or date of MoU (if applicable), whichever is later, using a discount rate of 10%, or as may be notified from time to time, provided that the lease is executed within the investment period.

All fixed assets (except tools, dies, moulds, jigs and fixtures and similar production tools) should be used and installed only within the Project Site.

1.1 Second-hand machinery

No more than 20% of the total Eligible Fixed Assets of a project shall consist of indigenous second-hand machinery purchased by the unit/project. To decide the percentage of second-hand machinery that will constitute Eligible Fixed Assets, the market value of such second-hand machinery, shall be as certified by an independent chartered/licensed engineer, chartered accountant or such other authority or person authorised by the Government of Tamil Nadu from time to time. This is subject to the condition that such indigenous second-hand machinery shall have a minimum residual life of 10 years (as certified by the independent chartered/licensed engineer, chartered accountant or such other authority or person authorised by the Government of Tamil Nadu from time to time).

In case of imported machinery, all imported second-hand plant, machinery and equipment will be considered as new indigenous machinery, if it is imported directly by the unit/project. 100% of the value of imported plant, machinery and equipment shall be allowed under Eligible Fixed Assets. This value of imported plant, machinery and equipment shall include custom duty and insurance paid, freight charges from the port of arrival till destination and installation charges in addition to the CIF value of such plant & machinery, provided that freight and installation of charges would be limited to 10% of the basic price.

1.2 Captive Power plants

Upto 20 % of EFA will be allowed for the Investment made in captive power plants (including windmills / solar farms), provided that no less than 50% of power so generated is for captive consumption.

1.3 Industrial Housing

Residential facilities developed within the Industrial Park or accommodation and hostel facilities for employees within 5 km radius of the work area (i.e. entrance of the housing facility should be within 10 km of direct distance from the entrance of the project premises), shall be considered as Eligible Fixed Assets, provided that this does not exceed 10% of EFA.
